

14 February 2017

Dear Doris,

We held a board meeting on February 10 in response to your latest emails. After discussing the issues that you have raised, we still maintain our position as stated in our letter dated June 27, 2016.

Although a donor was willing to make a donation to AMRC to pay for your MPF, the board decided that it would not be appropriate for AMRC to accept such donation. If you are not satisfied with the board's decision, we encourage you to go to the labour tribunal to resolve this issue.

The AMRC board also elected me to be its new chair. We felt that it is an appropriate time to have a new chair as we now have a new Executive Director, May Wong.

Sincerely,
